5. PREVIOUS PROGRAMMES OF 'LEADS' ORGANISATION :

1. Name of the Project : 'Leather Shoe Making programme for the Development of Poor Dalit Teen-Age Boys'

Funding Agency : Stichting Castricum Helpt Muttathara, The Netherlands.

: Summary: The project focuses on uplifting the lives of 25 underprivileged Dalit teenagers through a comprehensive one-year leather shoe making training program. Following the training, we provided them with essential capital investment to kickstart their independent ventures in leather shoe production and sales. As a result, these individuals have successfully established sustainable livelihoods, ensuring a brighter future for themselves and contributing to community development.

2. Name of the project : Computer Training Programme for Self Development of Poor Youth

Funding Agency : Stichting Castricum Helpt Muttathara, The Netherlands.

: Summary: In the year 2014, we initiated a Computer Skill Training Programme aimed at uplifting 30 economically disadvantaged adolescent girls from Siddavatam Mandal. Following the successful completion of the program, these young women secured employment opportunities in various companies and shops. Today, they lead fulfilling lives, demonstrating the positive impact of the training program on their self-development and overall well-being.

3. Name of the project : "Sheep and Goat fostering programme for the Self-Development of Rural Poor Mothers"

Funding Agency : Stichting Castricum Helpt Muttathara, The Netherlands.

: Summary: LEADS successfully implemented a Sheep and Goat Fostering Programme to promote the self-development of rural poor mothers. In this initiative, we distributed sheep and goats to 25 underprivileged women. The results have been transformative, as these women have flourished through the income generated from sheep fostering and sales. This sustainable approach not only enhances their financial well-being but also contributes to the overall development of the community.

4. Name of the project

: "Ensuring Safety for Healthcare Heroes: Distribution of PPEs to Covid-19 Doctors and Frontline Health Workers"

Funding Agency

: Conferenza Episcopale Italiana, ITALY

: Summary: LEADS successfully implemented the "Distribution of Personal Protective Equipment (PPEs) to Covid-19 Doctors and Frontline Health Workers" project. In collaboration with this initiative, we distributed a comprehensive range of personal protective equipment, including gloves, surgical masks, hand sanitizers, disposable isolation gowns, N95 masks, sodium hypochlorite solution, oxygen cylinders, oxygen therapy equipment, pulse oximeters, and oxygen concentrators, to the dedicated doctors and health workers at Government RIMS Hospital, Kadapa.

This initiative aims to fortify the safety of our healthcare professionals, empowering them to combat the outbreak more effectively. By ensuring the well-being of these frontline heroes, we enhance their capacity to heal more patients and contribute significantly to reducing the number of casualties.

5. Name of the project

: "Empowering Impoverished Rural Women for Sustainable Development through Sheep Fostering"

Funding Agency :

: Conferenza Episcopale Italiana, ITALY.

: LEADS effectively implemented the project titled 'Empowering Impoverished Rural Women for Sustainable Development through Sheep Fostering.' This initiative has empowered 80 disadvantaged women to attain self-sufficiency by generating income through sheep fostering and sales. Consequently, these women have undergone transformative experiences, now enjoying content and fulfilling lives.

6. Name of the project

: Clothing Distribution for Impoverished Elderly Individuals

Funding Agency :

: Madonna House Missions, (MH Missions) Canada.

Summary: LEADS organization identified 100 economically challenged Dalit families from five remote villages of Kamalapuram Parish in the Kadapa Diocese. Under this initiative, we distributed new clothes and sewing machines among 100 vulnerable Dalit Christian families residing in the remote villages of Kamalapuram Parish. This effort aims to provide essential support to elderly individuals, ensuring they have access to new clothing and the means to sustain themselves through sewing activities.

7. Name of the project

: "Pre-Primary Education Programme for Poor Dalit Children"

Funding Agency :

: Stichting Castricum Helpt Muttathara, The Netherlands.

Summary: In collaboration with Stichting Castricum Helpt Muttathara, The Netherlands, LEADS initiated a Pre-Primary Education programme for underprivileged Dalit children in five villages of Siddavatam Mandal, Kadapa district. As part of this program, LEADS provided essential pre-primary level educational facilities to 125 rural children from economically disadvantaged and backward Dalit communities. This endeavor aims to bridge educational gaps and create a foundation for a brighter future for these children.

8. Name of the project

: "Emergency Relief to the Cyclone Victims"

Funding Agency :

: Stichting Castricum Helpt Muttathara, The Netherlands.

Summary: In response to the devastating impact of Cyclone Hudhud in Visakhapatnam, we provided crucial emergency relief to the affected fishermen families. Our efforts included the distribution of essential items such as utensils, rice packets, milk, dhall, clothes, bed sheets, and medicines. This initiative aimed to address the immediate needs of the cyclone victims, offering support and assistance during a challenging time of crisis.

9. Name of the project : "Clothing Distribution for the Welfare of Leprosy-Affected Individuals"

Funding Agency : Local philanthropical people

: Summary: LEADS undertook the initiative of providing free clothing to 120 individuals affected by leprosy in Dhone Leprosy Colony and Bramhanapalli Leprosy Colony. This compassionate effort aimed to improve the quality of life for those facing leprosy-related challenges, offering them essential clothing for their well-being and dignity.

10. Name of the project : "Empowering Poor Women through Dairy Programme"

Funding Agency : Stichting Castricum Helpt Muttathara, The Netherlands.

: Summary: LEADS successfully executed the "Dairy Programme for Poor Women," where we distributed buffaloes to 30 economically disadvantaged women. This initiative has enabled these women to generate income through the sale of milk and milk products, providing them with a sustainable source of livelihood. Through this program, we strive to uplift the economic status of these women and contribute to their overall well-being.

11. Name of the project : Carpentry Training Programme for the Sustainable Development of Rural Poor Dalit People.

Funding Agency : Stichting Castricum Helpt Muttathara, The Netherlands.

: Summary: LEADS successfully conducted a Carpentry Training programme for 40 underprivileged Dalit youth over a period of one year. Upon completion of the training, we provided tools and equipment to empower these trained individuals. Currently, these youth are thriving in their carpentry occupations, earning a substantial income and achieving self-sufficiency. This initiative stands as a testament to the transformative impact of skill development on the sustainable development of rural communities.

12. Name of the project : "Cow Dairy Programme for Poor Women"

Funding Agency : Stichting Castricum Helpt Muttathara, The Netherlands.

: Summary: LEADS successfully implemented the "Cow Dairy Programme for Poor Women," wherein we distributed cows to 30 economically disadvantaged women. Presently, these women are generating a sustainable income through the sale of cow milk and various dairy products. This initiative not only enhances their economic well-being but also contributes to the overall empowerment and self-sufficiency of these women.

13. Name of the project : "Creche Centers for the Well-being of Poor Children"

Funding Agency : Andhra Pradesh State Social Welfare Board, Hyderabad and Amaravathi

: Summary: Our organization established two creche centers in two villages from 2006 to 2017, supported by the Andhra Pradesh State Social Welfare Board, Hyderabad, and Amaravathi. The initiative aims to benefit children aged 0-5 years by providing essential services such as nutritious food, education, and medical facilities. Through these creche centers, we have been committed to fostering the overall well-being and development of the young children in the community.

14. Name of the project : 'Covid-19 Emergency Relief Programme'.

Funding Agency : Madonna House Missions, (MH Missions) Canada.

Summary: LEADS organization effectively implemented the 'Covid-19 Emergency Relief Programme,' providing support to those affected by the pandemic. We procured essential commodities, including rice, wheat flour, dhall, salt, cooking oil, dry coconut, tamarind, turmeric powder, and chilli powder. These vital supplies were distributed among 100 families of impoverished laborers who lost their livelihoods during the lockdown period. This initiative aimed to alleviate the immediate challenges faced by vulnerable families, ensuring they had access to essential provisions during these difficult times.

15. Name of the project

Funding Agency :

: Covid-19 Emergency Relief Programme
 : Holy Trinity Church.
 United States of America.

Summary: LEADS organization effectively implemented the 'Covid-19 Emergency Relief Programme.' We procured essential commodities, including rice, wheat flour, dhall, salt, cooking oil, dry coconut, tamarind, turmeric powder, and chilli powder. These crucial items were distributed among 50 families of impoverished laborers who lost their livelihoods during the lockdown period. This initiative aimed to provide immediate relief to those severely affected by the pandemic, ensuring they had access to essential provisions for sustenance during these challenging times.

16. Name of the project :

Funding Agency :

: "Empowering Dalit Children Through Educational Resources"

: Madonna House Mission,
 Canada.

With the generous support of Madonna House Mission in Canada, we orchestrated a remarkable event, "Empowering Dalit Children Through Educational Resources," at the Government Elementary School in Masapeta village. This initiative was designed to benefit 60 disadvantaged students, ranging from grades 1 to 6, by equipping them with vital study materials including textbooks, pens, and pencils. The event elicited overwhelming joy and gratitude from both the students and their parents. The provision of these educational resources has not only illuminated the educational prospects of these young learners but has also instilled newfound confidence in their pursuit of knowledge.

17. Name of the project

Funding Agency :

: "Empowering Disadvantaged Teen-Age Girls through Education & Garments Making Training"

: Stichting Castricum Helpt Muttathara,
 The Netherlands.

Summary: LEADS successfully implemented a Vocational Training programme for 30 underprivileged women and teenage girls, spanning a duration of one year. This initiative focused on imparting essential skills in garment making, with the aim of creating sustainable livelihoods and combating poverty and hunger within the target group. The project not only provided valuable education but also equipped these individuals with the means to secure a better future for themselves and contribute to poverty eradication.

18. Name of the project : "Providing Educational Support to Underprivileged Tribal Girls in Government Schools"

Funding Agency : Ontario Teacher's Federation
- International Assistance Committee, Canada.

: Summary :The project aimed to bridge the educational gap and empower underprivileged tribal girls attending government schools by providing essential tools and resources, enhancing their academic experiences, and increasing their chances of pursuing higher education. Meticulously executed in Kadapa Slum areas, the project successfully distributed study materials, including notebooks, exam pads, geometry boxes, pens, pencils, and refills, benefiting 75 girls. In addition to educational support, the initiative incorporated tutoring,

skill development, and mentorship programs, contributing to enhanced confidence and aspirations among the beneficiaries. The project's positive impact was evident in improved academic performance, increased enrollment, and attendance, fostering a conducive learning environment. Although the project has concluded, a commitment to sustainability remains, with ongoing educational programs, community engagement, and partnerships to ensure continued support for these girls.
